**REQUEST TO CONTINUE HEARING/TRIAL WITH CONCURRENCE**

This request must be filed at least twenty-four (24) hours prior to the hearing. All requests must be approved by the court. Submitting a request is not an automatic continuance.

The undersigned hereby requests a continuance with the concurrence of the opposing party (parties).

Reason for the continuance; The attorney handling the case left our firm and I need additional time to proceed with matter. Additionally, the parties has been discussing new ways the matter may be resolved and we would like additional time to explore whether any of those options are feasible. The parties request a 30-day continuance.

Contemporaneous with the filing of this request, the undersigned has served a copy of this request upon all counsel participating in this proceeding.
